

The meeting was called to order by Vice President Greg Beck at 7:00 pm in the 11th floor lounge of Jesse Hall.

Corrections to minutes: Ray Grande was not absent October 27. Blake Johnson did not second the motion that CB allocate \$454.14 to Community Service Practice Office. Will the real BJ please stand up!

OLD BUSINESS

Congressman Shoup's Advisory Council: Tom Cannon's committee has chosen 9 people out of 45 candidates to Shoup's Advisory Council. A letter has been sent inviting them for a face to face interview with the selection committee to determine the 5 winners. Congressman Shoup will be in Missoula November 19 and 20 at which time President John Christensen hoped the students on Shoup's Advisory Council could meet with him.

Athletics Commission: Mack Clapp reported that a poll has been set up for the period of pre-registration this quarter to determine whether or not students want to support athletics.

Women's Lib: As no one showed up to represent Women's Lib JOHN MURPHY MOVED THAT THE BUDGET ALLOCATION TO WOMEN'S LIB BE TABLED UNTIL NEXT WEEK. BERVEN SECONDED AND MOTION CARRIED WITH ALL IN FAVOR.

Typewriters to Kaimin: Sorenson said he could get a reduced rate on typewriters by purchasing 5 at one time as the Kaimin needed new ones. Ben Burnatz reports that the Kaimin is in jeopardy financially and therefore CB members felt that money should be used to bail them out rather than for buying typewriters.

Intramural Department: Business Manager Bob Sorenson reported that a Royal manual typewriter could be purchased for \$235.00 for Tom Whiddon, director of Intramural. He said that second-hand or rebuilt manual typewriters cost almost as much as new ones and that Whiddon is presently renting one from the bookstore at a cost of \$15 per month. Murphy said that Intramural uses a typewriter about 5 hours a day. SORENSON MOVED THAT \$235 BE ALLOCATED TO INTRAMURAL TO PURCHASE A TYPEWRITER. MURPHY SECONDED. Flaharty said that Intramural should work on reducing the athletic budget and then be given a typewriter next year. QUESTION CALLED. ROLL CALL VOTE TO ALLOCATE \$235 TO INTRAMURAL FOR A TYPEWRITER WAS DEFEATED 9 TO 8.

Rugby Club: No one was present to represent Rugby in their request for \$90 for travel expense. BERVEN MOVED RUGBY BE GIVEN ZERO ALLOCATION. CANNON SECONDED AND MOTION CARRIED WITH ALL IN FAVOR.

NEW BUSINESS

Athletic Commission: Mack Clapp introduced a resolution that the Athletic Commission be given approval to charge a fee of \$2.00 per quarter to non-activity paying students, faculty and staff for the privilege of participating in the Intramural program, the fee going into effect winter quarter. MOZER MOVED THAT \$2.00 PER QUARTER BE CHARGED TO NON-ACTIVITY FEE PAYING STUDENTS, FACULTY AND STAFF FOR THE PRIVILEGE OF PARTICIPATING IN THE INTRAMURAL PROGRAM WITH ALL FEES COLLECTED GOING TO THE INTRAMURAL DEPARTMENT. MURPHY SECONDED AND THE MOTION CARRIED WITH ALL IN FAVOR.

Women's Lib: (Reappearance from Old Business) A tardy member of Women's Lib,

November 10, 1971

Carolyn Wheeler, then showed up to defend her budget. Wheeler explained their need for money to cover costs of literature, telephone and office expenses, the total request being \$220.00. BERVEN MOVED THAT THE WOMEN'S LIB BUDGET BE TAKEN FROM TABLE. SORENSON SECONDED AND MOTION CARRIED WITH A 2/3 MAJORITY IN FAVOR. Sorenson said that the \$220 allocated to Women's Lib last year had not been spent and therefore reverted back into CB budget to help cover deficits and was no longer available. MOZER MOVED THAT THE WOMEN'S LIB BUDGET BE TABLED FOR ANOTHER WEEK. GRANDE SECONDED. MOTION DEFEATED WITH MOST OPPOSED. Berven called attention to minutes of May 26 where \$220 was allocated to Women's Lib and that the time given for this allocation ended in 1972, thereby defeating Sorenson's statement that the \$220 should have been spent by the end of fiscal year July 1, 1971. It stands that the \$220 allocated last May to Women's Lib is still at their disposal. SORENSON MOVED THAT CB APPROVE WOMEN'S LIB BUDGET FOR \$220. BERVEN SECONDED AND MOTION CARRIED WITH ALL IN FAVOR EXCEPT GRANDE AND SCHUSTER.

Library Book Fund Drive: Vice President Greg Beck called attention to the need for advertising funds to be used for the Library Book Fund Drive in the downtown area. BERVEN MOVED THAT CB APPROVE THE ALLOCATION OF \$577.84 FOR THE LIBRARY BOOK FUND DRIVE. CANNON SECONDED. Discussion followed. Beck said that there are about 600 businesses in Missoula that will be asked to contribute and ads expressing gratitude and recognition will be published in the Kaimin and the Missoulian. Unused funds will be put into the Book Fund Drive. FLAHERTY MOVED AMENDMENT TO MAIN MOTION THAT THE LIBRARY BOOK FUND DRIVE BE ALLOCATED \$577.84 FOR ADVERTISING WITH THE STIPULATION THAT CB BE REIMBURSED THIS AMOUNT AFTER THE BOOK FUND DRIVE. EHRLICH SECONDED. QUESTION CALLED. Beck explained that the library needs 180,000 more in order to maintain accreditation and have been given 5 years in which to build this up. SORENSON MOVED THAT AMENDMENT TO MAIN MOTION THAT THE LIBRARY BOOK FUND DRIVE BE ALLOCATED \$577.84 FOR ADVERTISING WITH THE STIPULATION THAT CB BE REIMBURSED THIS AMOUNT AT THE END OF THE DRIVE BE APPROVED. FLAHERTY SECONDED. AMENDMENT TO MAIN MOTION WAS DEFEATED BY MAJORITY OPPOSED. PREVIOUS QUESTION WAS CALLED BY TOM CANNON. SWENSON SECONDED. PREVIOUS QUESTION CARRIED WITH ALL IN FAVOR. MAIN MOTION TO ALLOCATE \$577.84 TO LIBRARY BOOK FUND DRIVE FOR ADVERTISING WAS VOTED ON AND PASSED WITH ALL IN FAVOR.

Dormitory Resolution: John Murphy's resolutions of October 27, 1) to allow alcoholic beverages in dorm and 2) that each dorm be able to determine their own open-dorm policies, were discussed. It was decided that Dean Fedore, Assistant Dean Feaster and Tom Hayes be invited to the next CB meeting to give a direct response to these resolutions. MURPHY MOVED THAT ALL DORMS BE ABLE TO DETERMINE THEIR OWN OPEN-DORM POLICIES. BERVEN SECONDED AND MOTION CARRIED WITH ALL IN FAVOR.

Lobbyist for Constitutional Convention: Beck asked that members be considering the possibility of allocating \$1500 for a lobbyist at the Constitutional convention. MSPA President John Hanson should be at the next meeting for questioning.

Meeting adjourned at 8:15 pm. The next CB meeting will be held in the Montana Rooms, University Center at 7:00 pm.

Respectfully submitted,

Ruby Biondich

POLICY STATEMENT OF THE STUDENT ENVIRONMENTAL
RESEARCH CENTER

The purpose of the Student Environmental Research Center (SERC) is to promote environmental awareness. It's desire is to get as many students out of their text books to research the scientific, sociological, and economical problems of the environmental crisis.

SERC offices are open to use by any student environmental or conservation group. SERC will coordinate student and faculty research with established non-campus conservation groups, though the philosophies of these groups are not necessarily those of SERC coordinators.

SERC has no responsibility for projects or actions of environmental groups that are not directed or headed by a SERC coordinator.

Availability of funds and current priorities of the coordinators are the basis for project funding.

Dear Sirs:

A survey of census enumerator districts for the city of Missoula, Montana, reveals that enumerator district 36, which includes the University of Montana, is shown with a population of only 1,926 people.

It is my understanding that university students, for census purposes, were counted in the communities where their university was located. A check with the university housing department reveals that during the time of the census-taking, there never was less than 2,000 students residing in the dormitories, and there were around 600 additional students in fraternities and sororities located within enumerator 36. In short, if students were counted as residents of the communities where their universities are located, our students could not have been counted in enumerator district 36.

Would you please inform me whether students, in this case, were counted as residents of Missoula, Montana, and if so, how was the population figure for enumerator district 36 determined? We need to know for city reapportionment.

Sincerely,

John Christensen
ASUM President
